INSTITUTION ANTHEM

We come to comfort and to heal, to love and serve in woe and weal
We come to comfort and to heal, to love and serve in woe and weal

Let a mighty chorus swell and soar beyond the skies
As white robed bands with healing hands to daily tasks arise,
And eager limbs await their hour with aching, grim surmise
While fading visions float before half open, gleamless eyes.

Let the name Augustus and Muller proudly write in gold
Flame across Karnatak's vast Bharat's millions hold,
In admiration of his zeal whose vision bright and bold
In Mangalore's fair bosom raised its home of peace untold

Hail! Dear home where tender care beguiles disease and pain
Where love divine inspires and lifts the failing heart or brain
Live on and grow till human kind its destiny attain
And healing reach on wheels and wings the distant home or plain.

Come, Doctor, live your noble Hippocrate's bequest
Come, Nurse, by Nightingale inspired, forget your broken rest,
Come all who soothe in ways unsung Humanity's unrest
Let's all as one, with love pursue the toil by millions blest

ABOUT OUR INSTITUTION

Father Muller College is a Christian Religious Minority Educational Institution, a unit of Father Muller Charitable Institutions, a Registered Society, sponsored by the Catholic Diocese of Mangalore, which runs over 200 educational institutions. It offers the BASLP (Bachelors in Audiology and Speech Language Pathology) degree course affiliated to Mangalore University and approved by the Rehabilitation Council of India.

The College has grown out as an off-shoot of the parent Institution known all over the world as Father Muller Charitable Institutions, founded in 1880 by the benign Father Augustus Muller. He was awarded the *Kaiser-e-Hind* Medal by the Government of India for his pioneering efforts to heal people, especially the poor. Father Muller Charitable Institutions (FMCI) is one of the oldest and well established teaching hospital networks in Mangalore, touching the lives of thousands of patients and students for the last 130 long years. The key objective of FMCI is to provide complete and comprehensive health care with state-of-the-art facilities to the patients who come here.

Today, Father Muller's operates from two campuses comprising of two Medical and one Nursing College, with the presence of over 1,500 students and 600 doctors. Instead of remaining within the hospital, the doctors, nurses and students reach out to the poor in the surrounding villages through three urban health centres, seven rural health care facilities and ten health clinics in rural areas. Over 70% of hospital services are either free or heavily subsidized regardless of religion, caste, gender or ethnicity.

Patient Care is achieved by collaboration with people who care for the patient, both in the College, and the Community where he lives, adopting a holistic approach founded on scientific and research findings. The Staff and Students maintain this rich tradition of 'Holistic Approach' to patient care. Healing of the 'Whole Person' – body, mind and spirit, is the total concern of everyone and not merely curing a diseased part of the human body. The College promotes education of the highest quality in the art and science of healing while instilling Human, Ethical and Spiritual values in the students. We look for excellence not only in professional skills but also in the attitude and character in everyone, pholding respect for life, dignity of the human person and a genuine feeling of compassion for patients.

During the period of training, the students are expected to imbibe the virtues of brotherly love and compassion in a spirit of service, respect of life from the womb to the tomb, including respect for disabled and the infirm. They are expected to deepen their knowledge and develop skills in treatment as they grow in “Spiritual Strength”, while maintaining the ethos of the institution.

VISION

To be the trusted destination of quality services for the speech and hearing impaired and to be recognized as a global leader in education and research for Audiology and Speech Language Pathology.

MISSION

- To provide state of the art facilities in speech and hearing care services to all.
- To create centre of excellence in speech and hearing education.
- To foster excellence in research.

Communication is an integral instinct of all living things. Our ability to communicate in so many modes is unique to humans on earth. The loss of one or two senses certainly can impair communication, but it does not have to stop communication.

The field of Speech Language Pathology and Audiology is dedicated to the understanding of normal communication and hearing processes, and to the application of that knowledge to the identification, treatment and prevention of communication disorders in children and adults. Speech Language Pathologists and Audiologists are trained to assess and manage communication disorders and play a major role in public awareness and prevention of these disorders.

The diagnostic unit of Audiology and Speech Language Pathology in Father Muller Charitable Institutions has been in service for more than 36 years. It offers a wide range of services and works in the best interest of patients. It has mainly 3 units – Audiology, Speech Diagnostics and Speech Therapy. Audiology mainly focuses on hearing evaluation and aural rehabilitation, whereas Speech Diagnostic and Speech Therapy focus on the assessment of speech language problems and rehabilitation of persons with disability respectively. The Department of Speech and Hearing has also taken the initiative in the development of man power.

This rich experience of 36 years enabled the Department of Speech and Hearing to start a full time 4 years Bachelor Degree Course in the year 2007. It has successfully completed 6 years. Having experienced teachers and a state-of-the-art laboratory for the assessment and rehabilitation of speech and hearing disabilities, the College strives to train quality professionals. With the introduction of the degree course, the Departments of Audiology and Speech Language Pathology are fully equipped to evaluate hearing deficiencies and speech analysis in order to rehabilitate patients.

TEACHING FACULTY

PRINCIPAL

Prof. Akhilesh P.M

VICE PRINCIPAL

Mrs Shwetha

MANGALORE UNIVERSITY REGULATIONS

governing BASLP degree course

1) TITLE: BASLP

These regulations shall be called “The regulations governing the 4 years (3+1) – 6 semesters credit based Bachelor Degree Programme in Audiology and Speech Language Pathology (BASLP) in the Faculty of Science.

2) DURATION OF THE PROGRAMME: The duration of the BASLP programme shall extend over six semesters of course work (three academic years) plus 10 months of internship. Each semester shall consist of 16 weeks of study (excluding the time spent for the conduct of final examinations of each semester)

3) MAXIMUM PERIOD FOR COMPLETION OF THE PROGRAMME: The candidate shall complete the programme within the period prescribed in the regulation governing the maximum period for completing various degree/ diploma programmes from the date of admissions. The term completing the programme means passing all the prescribed examinations of the programme to become eligible for the degree. No candidate shall be permitted to appear for the examinations after the prescribed maximum period for completing the programme.

4) MEDIUM OF INSTRUCTION: Medium of instruction shall be English.

5) SUBJECT OF STUDY: Subjects of the study shall comprise the following

5.1- GROUP 1- Language: Basic Kannada or Advanced Kannada as applicable.

5.2- GROUP 2- a) Audiology, Speech language Pathology and Allied subjects (Basic Medical Sciences related to Speech and Hearing, Psychology related to Speech and Hearing, Basic Statistics & Scientific enquiry in Audiology and Speech Language Pathology).

b) Clinical practicum in Audiology & Speech Language Pathology

5.3- GROUP 3- General studies: Constitution of India and Human Rights, Gender Equity and Environment shall be compulsory papers during the first and second semesters, respectively.

6). ATTENDANCE:

6.1) A candidate shall be considered to have satisfied the requirement of attendance for a semester if he/she attends not less than 75% of

the number of classes actually held upto the end of the semester in each subjects and 80% attendance in clinical practicum. However, the shortage attendance of the student whose attendance is 60% and above but below 75% in the theory subjects may be condoned by the University by following the rules prescribed for condonation and payment of condonation fee as prescribed by the University.

- 6.2) A candidate who does not satisfy the requirement of attendance even in one subject in any semester shall not be permitted to take the whole University Examination of that semester and that he/she shall seek re-admission to that semester in subsequent year.
- 6.3) If a candidate represents his/her Institution / University / Karnataka State / Nation in Sports / NCC/ NSS/ Cultural or any officially activities he/she may be permitted to claim attendance for actual number of days participated, based on the recommendation of the Head of the Institution concerned. If a candidate is selected to participate in National level events such as Republic Day Parade etc., he/she may be permitted to claim attendance for actual number of days participated based on the recommendation of the Head of the Institution concerned.

7). COURSE PATTERN AND SCHEME OF EXAMINATIONS: The detail of the course pattern and the schemes of examinations in various subjects for all the semesters are given in Appendix 'A'. The syllabus of the course shall be framed by the concerned board of studies and approved by the faculty and academic council. There shall be examinations at the end of semesters ordinarily during October/ November for odd semesters and during April/ May for even semesters.

8). INTERNAL ASSESSMENT:

- 8.1) The internal assessment marks for the theory papers shall be based on two tests or 1 test and one assignment. There shall be minimum of 1 written test of at least 1 hour duration to be held during the semester. The average of the two shall be taken as internal assessment marks.
- 8.2) The internal assessment marks for clinical practicum shall involve assessment throughout the semester and practical examination cum viva in each practicum. The assessment shall be based on the clinical diary maintained, case records and reports, regular therapy plans and progress reports and professional behavior with all the concerned parties.
- 8.3) The internal assessment marks shall be communicated to the Registrar (Evaluation) at least 15 days before the commencement of

the University examinations and the Registrar (Evaluation) shall access to the records of such periodical assessments.

8.4) The marks of the internal assessment must be published on the notice boards of the College for information of the students.

8.5) There shall be no minimum in respect of internal assessment.

8.6) Internal assessment marks shall be shown separately in the marks card. A candidate who has rejected the result or who has failed and takes the examination again shall retain the internal assessment marks already obtained.

9). REGISTRATION OF THE EXAMINATION:

A candidate shall register for all the papers and practicals of a semester when he/she appears for the examination of that semester for the first time.

10). MINIMUM FOR A PASS:

10.1) No candidate shall be declared to have passed the semester examination as the case may be under Group I/ Group II/ Group III unless he / she obtains not less than 35% marks in written examination and 40% marks in the aggregate of written examination and internal assessment put together in each theory/ practicum papers for a pass.

10.2) A candidate failing in a paper consisting of University examination and internal assessment shall appear for the university examination only in subsequent attempts and obtain the minimum marks for a pass in that paper stated in para (10.1) above.

10.3) In the papers where there is no University examination, a candidate shall secure not less than 40% of the maximum marks of that paper for a pass (practical papers of I, III, & V semesters). A candidate who fails in the papers or who rejects the results of a semester (I, III, or V semesters) shall work over a period of not less than one semester in the college where he/she has studied and secure the required minimum marks for a pass.

11). CARRY OVER PROVISION:

A candidate who fails in lower semester examinations may go to the higher semesters and take the examinations.

a) No candidate shall be permitted to take the fifth semester examination unless he/she passes all the papers of the first semester examination and

b) No candidate shall be permitted to take the sixth semester examination unless he/she passes all the papers of the first and second semester examinations.

c) No candidate shall be permitted to undergo internship unless he/she passes all the papers/subjects of all the six semesters.

12). CLASSIFICATION OF SUCCESSFUL CANDIDATES:

The results of successful candidates at the end of IV semester shall be classified on the basis of aggregate Grade Point Average (GPA)

12.1) Declaration of class on the basis of Percentage of Aggregate Marks:

- First class with distinction : 70% and above
- First class : 60% and above but less than 70%
- High second class : 55% and above but less than 60%
- Second class : 50% and above but less than 55%
- Pass class : 40% and above but less than 50%

12.2) Each semester result shall be declared in terms of grades. An eight point grading system which is based on actual absolute marks scored and alpha - sign grade as described below shall be adopted.

RANGE OF MARKS

% MARKS	Below 40	40-49	50-54	55-59	60-69	70-79	80-89	90-100
ALPHA-SIGN GRADE	D	C	B	B+	A	A+	A++	0
GRADE POINT	2	3	4	5	6	7	8	9

12.3) The semester Grade Point Average shall be computed by dividing the sum of the Grade Point Weights (GPW) of all the subjects of study by the maximum credits assigned to that subject. The details are given in Appendix B. Appendix B gives a summary of marks and credits assigned to different subjects of study in Bachelor Degree programme in all semesters. In these tables, 100(2) indicates the maximum total mark in a subject of study is 100, while the credit assigned is 2. These labels are followed with illustrations of computing semester grade point averages and aggregate grade point averages.

12.4) The aggregate GPA at the end of the sixth semester shall be calculated as the weighted average of the semester grade point averages. The aggregate GPA is obtained by dividing the total of semester credit weightages by the maximum credits for the programme.

12.5) A candidate shall be declared to have passed the UG programs if he/she secures at least an aggregate GPA of 3.0 (or course Alpha-Sign Grade C)

- 12.6) The candidates who passes all the semester examinations in the first attempts in three years are eligible for the ranks provided they secure 60% and above marks at least an A grade.
- 12.7) The result of the candidates who have passed the VI semester examination but not passed the lower semester examinations shall be declared as NCL (Not Completed Lower-semester examinations). Such candidates shall be eligible for the degree only after the completion of all the lower semester examinations.
- 12.8) A candidate who passes the semester examination in subsequent/ multiple attempts is eligible for only class and not ranking.

13). REJECTION OF RESULTS:

- 13.1) A candidate may be permitted to reject the results of the whole examination of any semester. Rejection of result paper- wise/ subject-wise shall not be permitted. A candidate who has rejected the result shall appear for the immediately following regular examination.
- 13.2) The rejection shall be exercised only once in each semester and the rejection once exercised cannot be revoked.
- 13.3) Application for rejection along with payment of prescribed fee shall be submitted to the registrar (Evaluation) through the college of study together with the original statement of marks within 30 days from the date of publication of result.
- 13.4) A candidate who rejects the results is eligible for only class and not for ranking.

14). INTERNSHIP:

- 14.1) Internship of two semesters (one academic year) will start after candidate completes all the courses and appears for sixth semester examinations. The internship will continue after the break of examinations (if any) needed and shall be considered completed when the candidate completes one academic year excluding the break for examinations.
- 14.2) The Principal of the College shall submit a certificate of successful completion of internship to the University within one month after the completion of internship only after the candidate successfully completes all the papers and practicals in the University examinations in all the six semesters. Only thereafter the University will issue the provisional pass certificate and the degree certificate to the candidate.

GUIDELINES FOR INTERNSHIP POSTINGS IN VI & VII SEMESTERS:

- i) The place of postings of the students for internship will be decided by respective institute conducting the course.
- ii) Students should spend a minimum of 5 months period of internship outside the parent institute.
- iii) Qualified speech language pathologists and audiologists or specialists from allied areas should provide supervision.
- iv) Evaluation report of work done by the candidate, issued by the head of the institution where the candidate was posted, shall be maintained by the College.
- v) Normally internship should begin latest by July of each year and continue for 10 months. The duration can be suitably extended by the required number of days to compensate for the absence other than normal leave permitted.

RULES / REGULATION AND ETHICAL PRACTICES IN CLINICS

The following guidelines shall be strictly adhered to by all students of the College of Speech and Hearing:

1. Attendance in clinics

Shall not fall below 90%. Before taking leave the student should inform the clinical supervisor /concerned departmental staff well in advance and make arrangements for their therapy clients.

Ordinarily a student should never tell a client to skip sessions.

Ordinarily no leave shall be permitted during the vacation postings (100% attendance is required).

Students are required to mark their attendance in front of the staff everyday.

Log book shall be provided to each student to be maintained throughout the academic year. They shall submit the same to be signed by the staff every day. Any incidence of misbehavior or misconduct will be entered in the log book. If the log book is not signed, that day's attendance will be considered forfeited.

No phone calls will be entertained in the departments. In case of emergency, students can receive or make calls from the office only.

Use of mobile phones/ cell phones is strictly prohibited. If found being used during the clinical postings/ duties, the cell phone/ mobile will be confiscated and returned only at the end of the course.

Punctuality: students are expected to be at their postings at specific timings.

2. Student related parameters:

i) **Conduct:** you are expected to conduct yourself professionally and respect all staff, student (juniors and seniors), cases (children and adult) and parents. Misbehavior or misconduct of any kind towards staff, colleagues or clients will result in severe action being taken.

ii) Motivation: you are expected to be consistent in your performance while discharging your clinical duties at all times.

iii) Dress-code and neatness: A clinical apron is required to be worn. The apron should be clean and ironed. Each student must have at least one apron of his/her which is tailored for his/her physique. Students are required to be formally dressed. Hair and appearance should be groomed. Students are required to maintain clinical facilities, instruments, materials etc. in neat and orderly manner. Any article lost or damaged will be recovered from the student responsible for the same. No materials shall be permitted to be taken out of the departmental premises.

iv) Professionalism: you are expected to discharge your clinical duties effectively and efficiently, allowing neither mood feelings, indisposition nor bias to influence the quality of your professional interactions.

- M.Sc. M.L.T. Microbiology & Immunology (2 years)
- M.Sc. M.L.T. Hematology & Blood Transfusion (2 years)
- Bachelor of Physiotherapy (4 ½ years including 6 months internship)
- B.Sc. Medical Laboratory Technology (3 ½ years including 6 months internship)
- B.Sc. Medical Imaging Technology (3 ½ years including 6 months internship)
- B.Sc. Radio Therapy Technology (3 ½ years including 6 months internship)

Jana gana mana adhinaayaka jaya hey,
Bhaarat bhaagya vidhaataa
Panjaab sindhu gujarat maraatha,
Draavid utkal banga
Vindhya himaachal yamuna ganga,
Uchchhal jaladhi taranga
Tav Shubh naamey jaagey,
Tav shubh aashish maange
Gaahey tav jayagaathaa
Jana gana mangal daayak,
Jaya hey bhaarat bhaagya vidhaataa
Jaya hey, jaya hey, jaya hey,
Jaya jaya jaya, jaya hey.
